I built my own walls for my exhibition. I built them to break with the very clean, white exhibition space. They are partition walls, made from recycled panels from previous exhibitions.

**«NEUE VERBRECHEN IRRE GELÖST»
Galerie Bischoff & Partner, Bern, 2017**

I invented a comic book character: Ruby Rabbit, a detective. For this figure I have developed a vocabulary by means of painting; the figure itself is never represented, but merely its attributes such as a hat or shoe or its working materials.
